Determination of Required Financial Guarantee Amount

Description of Notice - The Clayton Valley Lithium Exploration Project in Sections 32, 33, and 34, T. 2 S., R. 40 E., and Sections 3, 4 and 5, T. 3 S., R. 40 E., (MDM) was received by the Tonopah Field Office on December 15, 2016. A notice incomplete letter was sent on January 10, 2017 following attempts to gain more information about the project via email. The additional information was received on January 13, 2017.

The project area is located in Esmeralda County, Nevada and proposes cross country travel and drilling of four drill holes, for a total disturbance of 3.43 acres. The proposed operations were reviewed by various resource specialists who determined this activity will not cause unnecessary or undue degradation as defined under 43 CFR 3809.5. The Bureau of Land Management (BLM) casefile number for your notice is N-95118. Please refer to this number in any future communication concerning this notice.

Amount of Financial Guarantee – A member of the Tonopah Field Office staff has reviewed your reclamation cost estimate and determined that a financial guarantee of \$8,424.00 is sufficient to complete reclamation of the proposed disturbance. The amount of the reclamation cost estimate is based on operator compliance with all applicable operating and reclamation requirements.

All line items contained in the reclamation cost estimate are not to be considered as the limits of financial guarantee expenditures in that respective category or task should forfeiture of the financial guarantee by necessary. The line items listed are solely for the purpose of arriving at a total amount for the financial guarantee. This total amount may be spent however the BLM
